

## Certified wood

MRC7 | Possible 1 point

### Intent

To encourage environmentally responsible forest management.

### Requirements

When using new wood-based products and materials, use a minimum of 50% that are certified in accordance with the Forest Stewardship Council's principles and criteria. Division 12 (Furniture) material value is included in the determination of the certified wood content.

Please note that casework and built-in millwork items must be included in the base building calculations.
