

LEED ND: Built Project | v3 - LEED 2009

## LEED Accredited Professional

IDc2 | Possible 1 point

Glossary

### Intent

To support the integrated planning and design required for a LEED for Neighborhood Development project and to streamline the application and certification process.

### Requirements

At least one principal member of the project team must be a LEED accredited professional.

#### **OR**

At least one principal member of the project design team must be a professional who is credentialed in smart growth as determined by the Natural Resources Defense Council in consultation with Smart Growth America.

#### **OR**

At least one principal member of the project design team must be a professional who is credentialed in new urbanism as determined by the Congress for the New Urbanism.

Note: A separate LEED accredited professional exam track for professionals wanting to specialize in the LEED for Neighborhood Development Rating System will be available in early 2010; this IDP credit can be achieved if a principal member of the project design team is accredited as a result of passing the exam.
