

Occupant comfort - occupant-controlled lighting

EQC2.2 | Possible 1 point

Intent

To provide a high level of lighting control by individual occupants or specific groups in multioccupant spaces (e.g., classrooms or conference areas) to promote the productivity, comfort and well-being of building occupants.

Requirements

For at least 50% of building occupants, use lighting controls that enable adjustments to suit the task needs and preferences of individuals for at least 50% of individual workstations, and for groups sharing a multioccupant space or working area for at least 50% of multi-occupant space in the building.
