## Alternative transportation - public transportation access

SSc3.1 | Possible 1 point

Glossary

### Intent

Reduce pollution and land development impacts from automobile use.

### Requirements

Meet the criteria of at least one of the following three options:

#### Option A

◦ The building is located within 1/2 mile of a commuter rail, light rail or subway station.

#### Option B

◦ The building is located within 1/4 mile of two or more public or campus bus lines usable by building occupants.

#### Option C

◦ Building occupants are provided with a conveyance (shuttle link) that supplies transportation between the building and public transportation meeting the criteria in Option A or Option B above.
