

# Prepare now to vote on LEED v4

Published on 19 Feb 2013 | Written by Christina Macken | Posted in LEED

This is a very important time for the U.S. Green Building Council, LEED and the thousands of volunteers around the world who have contributed to the LEED green building certification program. **LEED v4**, the newest update to the rating system, will be up for ballot this June.

The first step to ensuring you may vote is to confirm your organization's membership status. **Only employees of USGBC national member companies whose accounts are in good standing from March 1, 2013 through the closing of the ballot period this summer may vote.**

Not sure if your membership is current?
