

LEED Professionals at a Glance: March 2013

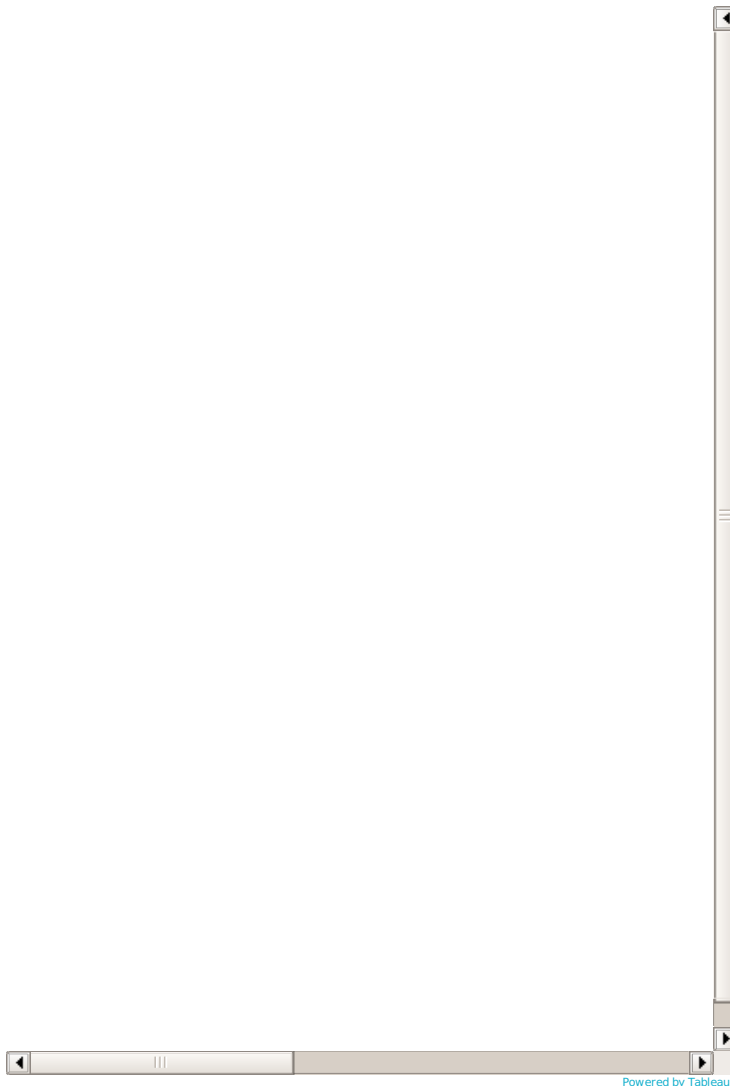

Published on 15 Mar 2013 | Written by Robb Tufts | Posted in [Industry](#)

[Part of an ongoing series capturing statistics on LEED Professionals]

LEED Professionals distinguish themselves in the green building marketplace by earning one of seven LEED Professional Credentials. Credential holders are recognized as leaders in the field and contribute their expertise to various industries and projects. Are you one of them?

Don't have a credential yet? [Learn more about how to get accredited »](#)

Note: As of March 1, the total number of LEED credentials held is 195,407. The data included in the visualization does not take into account LEED Accredited Professionals without a specialty.
