LEED BD+C: Core and Shell | v4 - LEED v4

Regional priority

Possible 4 points

1 result in All .

- [Glossary](#)

Intent

To provide an incentive for the achievement of credits that address geographically specific environmental, social equity, and public health priorities.

Requirements

Earn up to four of the six Regional Priority credits. These credits have been identified by the USGBC regional councils and chapters as having additional regional importance for the project's region. A database of Regional Priority credits and their geographic applicability is available on the USGBC website, www.usgbc.org/rpc.

[One point is awarded for each Regional Priority credit achieved, up to a maximum of four.](#)
