77 local chapters. 182,000 residential and commercial projects. 2.8 billion certified square feet. 13,000 member companies.

USGBC and our amazing community of chapters, volunteers, members and supporters have accomplished some extraordinary achievements over the past 20 years. We've made time to reflect and celebrate, but we have not stopped our push forward. We know how much work is yet to be done to reach our greater mission of green buildings for everyone.

Help us envision what the next 20 years of green building innovation and advances or other sustainability game-changers might look like in our "The Next 20 Years: Pin it to Win it" Pinterest contest. A panel of 6 USGBC staff members will choose the winner, based on the quality of the image pinned and its relevance to the contest's theme. The lucky winner can choose a prize item from our cool green ["Wishlist" board](#).

How to enter:

Step 1: Follow [USGBC on Pinterest](#)

Step 2: Comment on any pin from our ["The Next 20 Years"](#) Pinterest page asking to be added to the board. We will then add you!

Step 3: Choose a new green technology or innovation image and pin it onto our "The Next 20 Years" Pinterest page. We'll announce a winner on [our Facebook page](#) August 1st!

Happy Pinning!

Must be a resident of the United States or Canada and be 18 or older. For official rules and regulations, click [here](#).
