Purpose
Advocacy relies on local stakeholders to help facilitate successful, game-changing advocacy for green building in Virginia. USGBC is a champion for green building and advocacy plays an important role in who we are and what we do. Members do not represent USGBC directly and are not authorized to speak or sign commitments on behalf of USGBC without the consent of the USGBC Advocacy team.

This volunteer group primarily supports the following strategic imperative(s) of USGBC’s 2017-2019 Strategic Plan:
