

# Join the community that's building better buildings for everyone.

## USGBC brings the green building community together like no one else can.

For more than 30 years, U.S. Green Building Council members are driving the green building community forward. Our members are local and international, big and small, mission and market-driven, and all making an impact and advancing green building across the globe.

### Benefits of membership

- + **Connect:** USGBC is a global platform for growing your business, improving your community and advancing the latest in innovative building practices.
- + **Get ahead:** Access USGBC's flexible online learning platform and ensure you stay up to date with the latest in green building education.
- + **Member events:** Attend regular member events such as the U.S. Market Summit Series and the USGBC Annual Member Meeting.
- + **Volunteer:** Join a local advocacy group, technical group, or steering committees and help to shape the future of LEED.
- + **Discounts:** Receive discounts on USGBC programs including LEED registration and certification, Greenbuild registration, LEED credentials and green building resources.
- + **Industry offers:** USGBC members receive exclusive access to a growing list of industry-specific offers.

### Pricing

Membership is offered for organizations at four levels: Organizational, Silver, Gold and Platinum. Individual membership is available for those interested in getting involved at the local community level.

USGBC is recognized as a global leader. Our membership goes beyond providing us with the services that we need to support our LEED projects. It also marks us as a leader in the industry. We can learn, we can grow, we can share ideas, we can collaborate.

— Skanska  
USGBC member since 2000

It lets us have a say in the updates and the development of LEED.

— Green Seal, Inc.  
USGBC member since 2008

We love our partnership with USGBC because it says so much about our company's commitment to sustainability.

— Shorenstein Realty Services  
USGBC member since 2008

We really wanted to associate ourselves with the most respected green rating system out there, which is LEED.

— Marriott International  
USGBC member since 2007
