EPIC SUSTAINABLE NEIGHBORHOOD YOUTH CHALLENGE MENTOR
USGBC Community: Illinois Green Alliance
Application Deadline: Monday, February 22, 2018 at 1:00 PM (US Eastern Time)
Contact: Liz Kuehn, Program Coordinator, lkuehn@illinoisgreenalliance.org

Volunteer Position Overview
Across all of Chicago’s neighborhoods, there are opportunities to make our communities more sustainable. Share your passion and sustainability expertise with a small group of high school students as an Epic Sustainable Neighborhood Youth Challenge Mentor. As a mentor you’ll work with a teacher and their students to envision ways to make their neighborhood more sustainable, create and post a campaign, and assist with community interaction to gain feedback and support for their campaign.

Opportunities to collaborate with students, teachers, and other mentors. Reports to Illinois Green Alliance staff (Liz Kuehn).

Qualifications
Passion for sustainability issues and working with high school students; Project management experience

Time Commitment
February to May 2018
