

**LEED for Homes v2008***1st public comment substantive changes*

Innovation in Design Process	
Integrated Project Planning	No proposed changes
Durability Management Process	No proposed changes
Innovation or Regional Design	No proposed changes

Location and Linkages	
LEED for Neighborhood Development	No proposed changes
Site Selection	No proposed changes
Preferred Locations	No proposed changes
Infrastructure	No proposed changes
Community Resources/ Transit	No proposed changes
Access to Open Space	No proposed changes

Sustainable Sites	
Site Stewardship	No proposed changes
Landscaping	No proposed changes
Local Heat Island Effects	No proposed changes
Surface Water Management	No proposed changes
Nontoxic Pest Control	No proposed changes
Compact Development	No proposed changes

Water Efficiency	
Water Reuse	No proposed changes
Irrigation System	No proposed changes
Indoor Water Use	No proposed changes

Energy and Atmosphere	
Optimize Energy Performance	<p>A point floor has been added for the EA section: 13 points for climate zones (CZ) 1-5 and 9.5 points for CZ 6-8.</p> <p>Projects must achieve a Home Energy Rating System (HERS) score of 70 or lower, or earn the equivalent number of points in the prescriptive path.</p>
Insulation	No proposed changes
Air Infiltration	No proposed changes
Windows	No proposed changes
Heating and Cooling Distribution System	No proposed changes
Space Heating and Cooling Equipment	No proposed changes
Water Heating	No proposed changes
Lighting	No proposed changes
Appliances	No proposed changes
Renewable Energy	No proposed changes
Residential Refrigerant Management	No proposed changes

Materials and Resources	
Material-Efficient Framing	No proposed changes
Environmentally Preferable Products	No proposed changes
Waste Management	No proposed changes

Indoor Environmental Quality	
EPA Indoor airPLUS	No proposed changes
Combustion Venting	No proposed changes
Moisture Control	No proposed changes
Outdoor Air Ventilation	No proposed changes
Local Exhaust	No proposed changes
Distribution of Space Heating and Cooling	No proposed changes
Air Filtering	No proposed changes
Contaminant Control	No proposed changes
Radon Protection	No proposed changes
Garage Pollutant Protection	No proposed changes

Awareness and Education	
Education of the Homeowner or Tenant	No proposed changes
Education of Building Manager	No proposed changes
