“Transwestern chose to become a platinum member of USGBC because we recognize that LEED certification was, and continues to be, the gold standard for sustainability measurement.” - Transwestern

Transwestern is a full service real estate firm, specializing in agency leasing, property and facilities management, tenant advisory, capital markets, development, research and sustainability. The fully integrated enterprise leverages competencies in office, industrial, retail, multifamily and healthcare properties to add value for investors, owners and occupiers of real estate. Transwestern facilitates better decision-making for clients by combining penetrating local market intelligence and macro-market research through its affiliate, Delta Associates. Transwestern has 33 U.S. offices and assists clients through more than 180 offices in 36 countries as part of a strategic alliance with Paris-based BNP Paribas Real Estate.

Transwestern has a history of operating some of the most energy efficient properties in the country. Transwestern continuously takes action to reduce property operating

costs and environmental footprints by educating the industry and providing clients with sustainable energy efficient solutions for their real estate. For nearly 15 years, its energy management practices have consistently reduced operating costs across the Transwestern managed portfolio by an average of 20 percent.

Various LEED green building rating systems are currently being utilized by Transwestern on projects internationally. Membership in the USGBC allows Transwestern to receive personalized service and guidance from USGBC experts as well as offer additional resources for sustainability education.
